## Residential Features

The MayFlower home sits in a quiet neighborhood in Prince William County that is minutes away from Washington DC National airport, Health care facilities, and nearby hospitals.

The home is a newly renovated three-story, 3 bedroom, two-and-a-half bath cozy home. This live in space offers an eat in kitchen, play room area, exercise area, as well as separate sitting room.

There is plenty of backyard space in which is perfect for outdoor cookouts, parties, and just relaxing.

## Meet the Founder

As a Residential Provider, a Direct Support Professional, and Founder of SinGuardian, Jennefer has well over 8 years of experience in helping the community by providing Residential Services throughout the Northern Virginia area.

She is currently the owner of SinGuardian LLC, who has partnered with Community Outreach services serving individuals with intellectual & developmental disabilities.

## Our Services & Activities

Along with her trained staff, we engage in the community to enjoy physical activities i.e. attending shows, museums, gatherings, and light traveling.

We also enjoy going to the movies, eating at a variety of restaurants, attending community festivals, vacationing, shopping, bowling, working out, and swimming.

## Current Vacancies

Jennefer's current vacancies are for two individuals who will have their own separate room to decorate the way they desire. She considers her home to be a safe, friendly, full of love, and clean environment.
